(written by Cathy Majeski, Sunny Russ, Stephony Smith)

Never really thought about you and me like this

Never crossed my mind to cross that line

I can't believe that I could be completely unaware

That somewhere in time you would be mine

Don't know what happened to me underneath your spell

I only know how helplessly I fell

(Chorus)

Oh, who knew that I'd be loving you

So unexpectedly love comes

You never know who'll turn out to be the one

Destiny, it's a big mystery

Oh, and I didn't have a clue

You were the one, who knew

(Bridge)

Oh You knew I'd love you

Knew I'd love you

And never wanna let you go

Oh, you knew I'd love you

Knew this love would grow

No, I never thought about you and me like this

Never crossed my mind to cross that line

But sometimes the obvious is way too hard to see

It isn't always clear what's meant to be, yeah

(Repeat Chorus)

Oh, you knew I'd love you, knew I'd love you

Oh, you knew I'd love you, knew I'd love you

Oh, you knew I'd love you, knew I'd love you

Oh, you knew I'd love you, knew I'd love you

Oh, you knew I'd love you, knew I'd love you

(Fade)
