Let's take a look behind
And see what we can find.
Last year has gone for everyone
Passed with time.
What happened to us then
Can't happen once again
And what's now all to me?
History.

Years may come (Many years are still ahead)
Years may go (Many years have passed)
Some go fast (They belong to yesterday)
Some go slow (Still the memories last)
Some are good (Couldn't stop the laughter flowing)
Some are bad (Couldn't stop the tears)
For each one (Thank the Lord that we have been)
Just be glad (Together through the years)

Whenever I review
The lovin' times with you
I wouldn't change a single page
We've lived through.
It wasn't always smooth
Sometimes we'd jump the groove
We've shed some tears and then
Loved again.

Years may come (Many years are still ahead)
Years may go (Many years have passed)
Some go fast (They belong to yesterday)
Some go slow (Still the memories last)
Some are good (Couldn't stop the laughter flowing)
Some are bad (Couldn't stop the tears)
For each one (Thank the Lord that we have been)
Just be glad (Together through the years)

Heartaches I don't doubt
Life's sure to dish us out.
We'll beat the lot and that is what
Life's all about.
Whatever may come true

Ahead for me and you
Some day it all will be
Memories.

Years may come (Many years are still ahead)
Years may go (Many years have passed)
Some go fast (They belong to yesterday)
Some go slow (Still the memories last)
Some are good (Couldn't stop the laughter flowing)
Some are bad (Couldn't stop the tears)
For each one (Thank the Lord that we have been)
Just be glad (Together through the years)
