Get out of my life  
I beg you to go now  
For I can no longer stand your face  
You're cold as ice and so frustrated  
Now I get on my feet again  
There's nothing more to say

You're out of your mind  
You're losing control now  
I've never mistreated you before  
You slammed the door, while I was waiting  
Remember how it was before  
"Les nuits, l'amour, Paris"

Dance, dance, dance dance  
'Till the night has gone  
Dance, dance, dance dance  
'Till the night has gone

Dance, dance, dance dance  
'Till the night has gone  
Dance, dance, dance dance  
'Till the night has gone

You blow hot and cold  
I'll put it aside now  
Consider the better part of me  
Before you go, I will be waiting  
Remember how it was before  
"Les nuits, l'amour, Paris"

Dance, dance, dance dance  
'Till the night has gone  
Dance, dance, dance dance  
'Till the night has gone

Dance, dance, dance dance  
'Till the night has gone  
Dance, dance, dance dance  
'Till the night has gone
