This is my harbour, where I feel free  
Where once the fishermen sailed out to fight the sea  
To feed their children, to raise them well  
To make me what I am, I'm proud to tell

I will never leave you, my good old Volendam  
The place where I belong  
Only for you I sing this song  
I will always love you  
Until my dying day  
I'm proud that I can say: "My Volendam"

Old seadogs gathering by the harbourside  
To recall the early days, (the storms that they  
Survived)  
They were strong together, stronger than the sea  
They built this paradise where I feel free

I will never leave you, my good old Volendam  
The place where I belong  
Only for you I sing this song  
I will always love you  
Until my dying day  
I'm proud that I can say: "My Volendam"

I will never leave you, my good old Volendam  
The place where I belong  
Only for you I sing this song  
I will always love you  
Until my dying day  
I'm proud that I can say: "My Volendam"  
I'm proud that I can say: "My Volendam"
