Know you're not the only
So I know a place to go
If you're feeling hazy
Work is make you crazy
Let's go to the late night show
There's a pretty dancer, she's really out of sight
Dancing in the light, she's really gonna catch your eye

Refrain:
Sweet silver Anny (3x)
You know I never saw a girl like you

Toodele doodoo (3x)
Toodele doo

Toodele doodoo (3x)
Toodele doo

Riding through the city
Gonna make you dizzy
Sick and tired of traffic lights
And you coming home find everybody gone
You're ready for the lonesome night
Don't be down
Ya know what you have to do
Let's go to the city
Let's go to the late night show

Refrain

Refrain

And in the night time when you come home late
You dream of Anny with her silver face
Silver face
Silver face

Refrain

Sweet silver Anny
(Toodele doodoo)

Sweet silver Anny
(Toodele doodoo)
Sweet silver Anny
You know I never saw a girl like you

Sweet silver Anny
(Toodele doodoo)
Sweet silver Anny
(Toodele doodoo)
Sweet silver Anny
You know I never
