When a cold chill begins to burn at your very soul
That's the sweet touch of love
When just the drop of a name begins to sting your very
toe
That's the sweet touch of love
Just the thought about you could blow my mind
That's the sweet touch of love
I was about to give up but you came just in time
With your sweet touch of love

You brought out the best in me
made me leave the rest of me behind, oh yes you did
You delivered me from loneliness and onliness ooh
yes

One little kiss to let me know, boy
I couldn't live without your love, you know it's true
I've found the joy that I had been missing for so long
It was the sweet touch of love

When a cold chill begins to thrill your very soul
That's the sweet touch of love, oh yes it is
When just the drop of a name begins to sting your very
toe
That's the sweet touch of love, oh yes it is

mmm " mm-mm-mm-mmm yeah-yeah-yeah mmm
" mm-mm-mm-mmm

Sweet " sweet " sweet " sweet " sweet "
sweet "
Sweet touch of love (touch of love) - oh yes it is (oh yes
it is)
I need you lovin'™ early in the morning
Your sweet touch of love (touch of love) - oh yes it is (oh
yes it is)
And I got sweet (sweet) sweet (sweet)
Early in the morning (touch of love) touch of love (oh
yes it is)
And I got sweet (sweet) sweet (sweet)
Ooh " ooh " ooh " ooh baby (touch of love) early
in the morning (oh yes it is)
