What can I do to see you?
What do you need from me to believe I mean it?
What will it take to change your heart and start again?

Tell me what can I do to make you happy?
I'll make you happy if you just let me
What can I do to make you love me again?

What do I need to leave you?
What does it take to quit when your heart won't let you?
Nothin' I know, so here I am and there you are

Tell me what can I do to make you happy?
I'll make you happy if you just let me
What will it take to make you love me again?

So tell me what it takes that's what I'll do
Just don't tell me that it's over
Say I've got a chance, it's not so much to ask

Tell me what can I do to make you happy?
I'll make you happy if you just let me
What can I do to make you love me again and want me
again?
Tell me what can I do?
Tell me what can I do?
