When the men take me to the devil tree  
I will be free and shining like before  
Papa don't tell me what I should've done  
She's the one who begged me  
"Take me home"

When the wind wraps me like the reaper's hand  
I will swing free until they cut me down  
Papa don't tell me what I could've done

She's the one who begged me  
"Take me home"

When the sea takes me like my mother's arms  
I will breathe free as any word of God  
Papa don't tell me what you would've done  
She's the one who begged me  
"Take me home"
