(Verse)

In the wake Iâ€™m waiting for the light to change  
Is about your mind, but I canâ€™t complain.

He can make a lot of money, he can touch his toes,  
He knows he never looked to the lights alone.

(Chorus)

I love you and you love me,  
So we never demand and we never agree.

I love you and you love me  
And thereâ€™s a new fruit humming in the old fruit trees.

(Verse)

In the wake Iâ€™m waiting in a parking lot,  
Heâ€™s jealous of me and what weâ€™ve got.

He can rattle his bell in shining shoe  
And never in doubt where I found you.

(Chorus)

I love you and you love me,  
So we donâ€™t come back and we donâ€™t say please.

I love you and you love me  
And thereâ€™s a new fruit humming in the old fruit trees.

(Verse)

Cause in the wake Iâ€™m waiting for the rain to pass  
Heâ€™s a buddy of mine, but that wonâ€™t last.

Cause he ended down there on an empty cup  
We took him full and he showed up.

(Chorus)

Cause I love you and you love me,  
So we both get stuck and we both get free.

I love you and you love me  
And thereâ€™s a new fruit humming in the old fruit trees.
