She says "wake up, it's no use pretending"  
I'll keep stealing, breathing her.  
Birds are leaving over autumn's ending  
One of us will die inside these arms  
Eyes wide open, naked as we came  
One will spread our ashes 'round the yard

She says "If I leave before you, darling

Don't you waste me in the ground"  
I lay smiling like our sleeping children  
One of us will die inside these arms  
Eyes wide open, naked as we came  
One will spread our ashes round the yard
