Visit "[It Must Be Love](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Ah, nothing on earth could be so fine.  
I think I might have found something,  
and I think it might be my love.

Yes, I think I came across something,  
and I think she might be my love.

Oh, ---- oh, ---- oh, ----

yes, it must be love.  
I've found out its worth, It must be love,  
'cause nothing on earth could be so fine;  
I'm making you mine.

I think I might have found something,  
and I think she might be my love.

Yes, I think I came across something,  
and I think she might be my love.

'Cause nothing on earth could be so fine.  
Oh, ---- oh, ---- oh, ----

yes, it must be love.  
I've found out its worth, It must be love,  
'cause nothing on earth could be so fine;  
I'm making you mine.

Ah, nothing on earth could be so fine.

Ah, nothing on earth could be so fine.

Ah, nothing on earth could be so fine.
