We all want to climb the hill  
The unbelievable is going to happen  
It will linger in your mind forever  
Let this carry you wherever - wherever.

Triggering The Unconconscious power.

Removing all your inhibitions  
Releasing complete freedom of thought  
Sensations of ev'ry sense will prepare  
With this you will see ev'ry thing.

Triggering The Unconscious power.  
Triggering The Unconscious power.

I say to you  
nothin' for now.  
Oh, now  
we know all,  
we know all,  
we know all,  
we know all!
