Sons of thunder were born in slavery
The darkest hunter, boys of bravery
A circle of fate, dreams of defiance
A new crusade, magic alliance

Raven wings will carry me
Wizard rings will set me free

Horsemen of the night we are few but we will fight
And never die as a slave, stand up for the brotherhood
The kingdom is mine, just follow the sign
We are warriors to the grave
Brotherhood of the brave

Alien fighters are marching on
Crossroad riders, let the storm begin

Raven wings will carry me
Wizard rings will set me free

Horsemen of the night we are few but we will fight
And never die as a slave, stand up for the brotherhood
The kingdom is mine, just follow the sign
We are warriors to the grave
Brotherhood of the brave

Arrows are flying with the speed of light
Traitors are dying, suffer in the night

Raven wings will carry me
Wizard rings will set me free, set me free

We keep the flame burning, born into Ironfire
We keep the wheels on turning, metal takes us higher
We keep the flame burning, born into Ironfire
We keep the wheels on turning, metal takes us higher

Horsemen of the night we are few but we will fight
And never die as a slave, stand up for the brotherhood
The kingdom is mine, just follow the sign
We are warriors to the grave

Horsemen of the night we are few but we will fight
And never die as a slave, stand up for the brotherhood
The kingdom is mine, just follow the sign
We are warriors to the grave
Brotherhood of the brave
Brotherhood of the brave
Brotherhood of the brave
