I took my medicine just like I was told  
Without my tolerance I'm out of control

I cannot stand you  
I would not lie  
Won't put up with the egos of those I despise

Your story's been told  
Your attitude's old  
Why did you have to push me  
Are you really that bold?

Your story's been told  
Your attitude's too damn old  
Why do you have to push me  
You're out of control

You're all just insects  
You're only bugs  
I'll take an AK to the shopping mall and fill you with  
slugs

Your story's been told  
Your attitude's old  
Why did you have to push me  
Are you really that bold?

Your story's been told  
Your attitude's too damn old  
Why do you have to push me  
I'm out of control

Come to the edge  
Drop off the ledge  
And lose control  
Come feel the rift  
Jump off the cliff  
And cleanse your soul

Come to the edge  
Drop off the ledge  
And lose control

Come feel the rift  
Jump off the cliff  
And cleanse your soul

Come to the edge  
Drop off the ledge  
And lose control

Your story's been told  
Your attitude's too damn old  
Why do you have to push me  
I'm out of control

You're all pathetic  
You're making me sick  
I wish you could see the darkness that's making me tick
