Look inside your head and find
Tell me now and it's all in your mind
Look inside your head and find a way
Deep inside and it's all in your mind

It's all in your mind
It's all in your mind

Revolution, air pollution, chairman Mao Tse Tung is in
your mind
But he's dead pal, he's not very well anyway
New day breaking, people hating
Love's a dream and it's all in your mind

It's all in your mind
It's all in your mind

Segregation, preservation
Politicians all are in your mind
Pewter Suta, Karmasutra
Even Blanckenheimer's in your mind, yes

It's all in your mind
It's all in your mind
