Now the contracts out
They've out the word about
I'm coming after you

It's not the money I make
It's the thrill of the chase
And I'm coming after you

I watch you every move
Study the things you do
And the pattern of your ways

I watch you walk you walk
I hear your telephone talk
I want to understand the way you think

Better watch out cos I'm the assassin
Better watch out better watch out
Better watch out cos I'm the assassin
Better watch out better watch out

I'm in a cold sweat
I taste the smell of death
I know the moment's getting closer

And as you walk to the light
I feel my hands go tight
Excitement running through my veins

I've got you in my sights
I've got you dead to rights
The triggers waiting for my fingers

I feel adrenalin rush
It's just the final touch
You can kiss your arse goodbye
