Sometimes it makes me wonder sometimes it makes
me question
Sometimes it makes me saddened always it makes me
angry but
When you can see it happening madness that's all
around you
Nobody seems to worry the world seems to powerless
to act

It's out of control
Blood on the world's hands
Each day a new toll

Another assassination the same day a new creation
But what are they coming into security of a world that
brings
One day another killing somewhere there's someone
straying
Another a savage raping mean while there's someone
laughing at us

It's out of control
Blood on the world's hands
Each day it goes on

Blood on the world's hands blood on the world's hands
Blood on the world's hands blood on the world's hands
Yeah yea
Blood on the world's hands blood on the world's hands
Blood on the world's hands blood on the world's hands

Brutality and aggression tomorrow another lesson
Expecting another air raid praying for a ceasefire
They say things are getting better no need to be
complacent
There's chaos across the border and one day it could
be happening to us

It's out of control
Blood on the world's hands
It's our epitaph
It's out of control

Someone should know
Blood on the world's hands
Someone should
