### Burning Ambition

So you think you can own me, well you'd better just  
think again

You'd better watch your steps now, woman, cause I  
ain't like those other men

There's something burning inside me that makes me  
want to be free

And when I get these feelings honey, you better keep  
away from me

There's things in life now, baby, that I know I've got to  
do

And I need your love now, baby, to help me see it  
through

So you think you can own me, well you'd better just  
think again

You'd better watch your steps now, woman, cause I  
ain't like those other men

[Solo]

So you think you can own me, well you'd better just  
think again

You'd better watch your steps now, woman, cause I  
ain't like those other men

There's something burning inside me that makes me  
want to be free

And when I get these feelings honey, you better keep  
away from me
