Wake alone in the hills with the wind in your face  
It feels good to be proud and be free and a race  
That is part of a clan and to live on highlands  
And the air that you breathe so pure and so clean

When alone on the hills  
With the wind in your hair  
With a longing to feel...  
Just to be free

Is it right to believe in the need to be free  
It's a term when you die and without asking why  
Can't you see what they do they are grinding us down  
They are taking our land that belongs to the clans

Not alone with a dream  
Just want to be free  
With a need to belong  
I am a clansman... Freedom

It's a time wrought with fear  
it's a land wrought with change

Ancestors could hear  
What is happening now  
They would turn in their graves  
they would all be ashamed  
That the land of the free  
has been written in chains  
And I know what I want

When the timing is right  
Then I'll take what is mine  
I am the clansman

And I swear to defend  
And we'll fight to the end  
And I swear that I'll never be taken alive  
And I know that we'll stand  
and we'll fight for our land  
And I swear that my bairns

Will be born free

And I know what I want  
When the timing is right  
Then I'll take what I want  
I am the clansman... freedom

And I know what I want  
When the timing is right  
Then I'll take what is mine  
I am the clansman

No, no we can't let them take anymore  
No we can't let them take anymore  
We've the land of the free  
Freedom

Is it right to believe in the need to be free  
It's a time when you die and without asking why  
Can't you see what they do they are grinding us down  
They are taking our land that belongs to the clans

Not alone with a dream  
Just want to be free  
With a need to belong  
I am a clansman
