She fell in love with his greasy machine
She leaned over wiped his kickstart clean
She'd never seen the Beast before
But she left there wanting more, more, more
When she was walking on down the road
She heard a sound that made her heart explode
He whispered to her to get on the back
"I'll take you on a ride from here to eternity"

Hell ain't a bad place
Hell is from here to eternity
Hell ain't a bad place
Hell is from here to eternity

She must be having one of her crazy dreams
She'd never sat on a piece so mean
It made her feel like she's on cloud nine
She even thought she heard the engine sigh

But like all dreams that come to an end
They took a tumble at the Devil's Bend
The Beast and Charlotte they were two of a kind

They'd always take the line...from here to eternity

Hell ain't a bad place
Hell is from here to eternity
Hell ain't a bad place
Hell is from here to eternity
Hell ain't a bad place
Hell is from here to eternity
Hell ain't a bad place
Hell is from here to eternity

Yeah, lick 'em
Gentlemen, start your engines
It's time to go now

Hell ain't a bad place
Hell is from here to eternity
Hell ain't a bad place
Hell is from here to eternity

Hell ain't a bad place
Hell is from here to eternity
Hell ain't a bad place
Hell is from here to eternity
Hell ain't a bad place, come on
Hell is from here to eternity

Get on your M11, get on your bikes
And race back now
