Believe in me - send no money
I died on the cross, that ain't funny
But my so-called friends they're making me a joke
They missed out what I said like I never spoke
They choose what they want to hear - don't tell a lie
They just leave out the truth as they're watching you
die
Saving your souls by taking your money
Flies around s**t, bees around honey

Holy smoke, holy smoke
Plenty bad preachers for the Devil to stoke
Feed them in feet first this is no joke
This is thirsty work making holy smoke yeah
Making holy smoke

Jimmy Reptile and all his friends
Say they going to be with you at the end
Burning records, burning books
Holy soldiers, Nazi looks
Crocodile smiles just wait a while
Till the TV Queen gets her make-up clean
I've lived in filth, I've lived in sin

And I still smell cleaner than the s**t you're in

Holy smoke, holy smoke
There's plenty bad preachers for the Devil to stoke
Feed them in feet first this is no joke
This is thirsty work making holy smoke yeah

Holy smoke - smells good

They ain't religious but they ain't no fools
When Noah built his Cadillac it was cool
Two by two they're still going down
And the satellite circus just left town
I think they're strange and when they're dead
They can have a Lincoln for their bed
Friend of the President trick of the tail
Now they ain't got a prayer 100 years in jail

Holy smoke, holy smoke
Plenty bad preachers for the Devil to stoke
Feed them in feet first this is no joke
This is thirsty work making holy smoke

Holy smoke
