Invasion

[Harris]

The Vikings are coming
You'd better get ready for we're having a fight
The long boats are coming
They're looking like dragons in the dead of the night

Muster the men from all the villages
You'd better get ready to fight with your enemies

Beacons are burning
I'm giving the word to get ready to fight

The battle is nearing
You'd better get ready to fight for your lives

The Norsemen are coming
The Norsemen are coming
The warnings are given
The Norsemen are coming

Raping and pillaging
Robbing and looting the land

Viking raiders from afar
