Lights out, we live in a world of darkness  
No doubt, everything's up for sale  
We sleep, all of the world is burning  
We pray to God for a better deal

Nothing is sacred back then or now  
Everything's wasted  
Is that all there is?  
Can I go now?

Judas my guide  
Whispers in the night  
Judas my guide

Fight wars, die in a blaze of glory  
Come home, meat in a plastic sack  
Fall down, better pray to your God for mercy  
So kneel and help the blade cut clean

Nothing is sacred back then or now  
Everyone's wasted  
Is that all there is?  
Is that it now?

Judas my guide  
Whispers in the night  
Judas my guide

Judas my guide  
Whispers in the night  
Judas my guide

I live in the black  
I have no guiding light  
I'm whispering in your dreams

Judas my guide  
Whispers in the night  
Judas my guide

Judas my guide  
Whispers in the night

Judas my guide
