A lonely cry for help reaching out for help to anyone  
A silent prayer to God to help you your way  
I've been depressed so long, it's hard to remember  
when I was happy  
I've felt like suicide a dozen times or more  
But that's the easy way, that's the selfish way  
The hardest part is to get on with your life  
You're searching in the dark, clutching at straws to find  
a way  
You take the tarot cards and throw them to the wind  
Your question your beliefs, your inner thoughts, your  
whole existence  
And if there is a God then answer if you will  
And tell me of my fate, tell me of my place  
Tell me if I'll ever rest in peace

If you could live your life again, would you change a  
thing or leave it all the same  
If you had the chance again, would you change a thing  
at all  
When you look back at your past, can you say that you  
are proud of what you've done  
Are there times when you believe that the right you  
thought was wrong

All of my life I have believed judgment of heaven is  
waiting for me  
All of my life I have believed judgment of heaven is  
waiting for me  
Waiting for me, waiting for me, waiting for me...  
(2:34-Solo: Dave Murray)

All of my life now I have believed judgment of heaven  
awaits for me  
All of my life now I have believed judgment of heaven  
awaits for me

All of my life I have believed judgment of heaven is  
waiting for me  
All of my life I have believed judgment of heaven is  
waiting for me

Waiting for me, waiting for me, waiting for me...
