C'mon yeah

I've been looking so long for you now  
You won't get away from my grasp  
You've been living so long in hiding  
In hiding behind that false mask

And you know and I know that  
You ain't got long now to last  
Your looks and your feelings  
Are just the remains of your past

You're standing in the wings  
There you wait for the curtain to fall  
Knowing the terror and holding  
You have on us all

Yeah, I know that you're gonna  
Scratch me and maim me and maul  
You know I'm helpless  
From your mesmerizing cat call  
Uh

Keep your distance, walk away  
Don't take his bait  
Don't you stray  
Don't fade away

Watch your step, he's out to get you  
Come what may  
Don't you stray  
From the narrow way

Uh, uhh

I'm running and hiding in my dreams  
You're always there  
You're the phantom of the opera  
You're the devil, you're just out to scare

You damaged my mind and my soul  
It just floats through the air

You haunt me, you taunt me  
You torture me back at your lair
