Thinkin' of an age old dream  
Places I have never seen  
Fantasies lived times before  
I split my brain, melt through the floor

Over clouds my mind will fly  
Forever now I can't think why  
My body tries to leave my soul  
Or is it me, I just don't know

Memories risin' from the past  
The futures shadow overcast  
Somethings clutchin' at my head  
Through the darkness I'll be led

Oh another time, another place  
Oh another smile on another face  
When you see me, floatin' up beside you  
You get the feelin' that all my love's inside of you

Please take me away, take me away, so far away  
Please take me away, take me away, so far away  
Please take me away, take me away, so far away

Thinkin' of an age old dream  
Places I have never seen  
Fantasies lived times before  
I split my brain, melt through the floor

Over clouds my mind will fly  
Forever now I can't think why  
My body tries to leave my soul  
Or is it me, I just don't know

Memories risin' from the past  
The futures shadow overcast  
Somethings clutchin' at my head  
Through the darkness I'll be led

Oh another time, another place  
Oh another smile on another face  
When you see me, walkin' up beside you

You get the feelin' that all my love's inside of you

Please take me away, take me away, so far away

Please take me away, take me away, so far away

Please take me away, take me away, so far away
