When I was wandering in the desert.  
And was searching for the truth  
I heard a choir of angels calling out my name.  
I had the feeling that my life would never be the same  
again  
I turned my face towards the barren sun

And I know of the pain that you feel the same as me.  
And I dream of the rain as it falls upon the leaves.  
And the cracks in our lives like the cracks upon the  
ground.  
They are sealed and are now washed away

You tell me we can start the rain.  
You tell me that we all can change  
You tell me we can find something to wash the tears  
away.  
You tell me we can start the rain.  
You tell me that we all can change  
You tell me we can find something to wash the tears....

And I know of the pain that you feel the same as me.  
And I dream of the rain as it falls upon the leaves.  
And the cracks in the ground like the cracks are in our  
lives.  
They are sealed and now far away

You tell me we can start the rain  
You tell me that we all can change.  
You tell me we can find something to wash the tears  
away.  
You tell me we can start the rain.  
You tell me that we all can change  
You tell me we can find something to wash the tears....

You tell me we can start the rain  
You tell me that we all can change.  
You tell me we can find something to wash the tears  
away.  
You tell me we can start the rain.  
You tell me that we all can change  
You tell me we can find something to wash the tears....

And I know of the pain that you feel the same as me.  
And I dream of the rain as it falls upon the leaves.  
And the cracks in the ground like the cracks are in our  
lives.  
They are sealed and now far away
