Oh, God of earth and altar
Bow down and hear our cry
Our earthly rulers falter
Our people drift and die

The walls of gold entomb us
The swords of scorn divide
Take not thy thunder from us
Take away our pride

Just a babe in a black abyss
No reason for a place like this
Walls are cold, souls cry out in pain

An easy way for the blind to go
A clever path for the fools who know
The secret of the hanged man, the smile on his lips

The light of the blind, you'll see
The venom tears my spine
The eyes of the Nile are opening, you'll see
Came to me with a serpents kiss
As the eye of the sun rose on her lips
Moonlight catches silver tears that I cry

So we lay in a black embrace
And the seed is sown in a holy place
And I watched and I waited for the dawn, oh

The light of the blind, you'll see
The venom tears my spine
The eyes of the Nile are opening, you'll see

Bind all of us together
Ablaze with hope and pain
No storm or heavy weather
Will rock the boat you'll see

The time has come to close your eyes
Still the wind and rain
For the one who will be king
The watcher in the ring

It is you, oh
Oh oh, you
