Out in the street somebody's crying  
Out in the night the fires burn  
Maybe tonight somebody's crying  
Reached the point of no return

Oh, my eyes they see but I can't believe  
Oh, my heart is heavy as I turn my back and leave

Like the eagle and the dove  
Fly so high on wings above  
When all you see can only bring you sadness  
Like a river we will flow  
On towards the sea we go  
When all you do can only bring you sadness  
Out on the sea of madness

Somewhere I hear a voice that's calling  
Out in the dark there burns a dream  
You got to hope when you are falling  
To find the world that you have seen

Oh, my eyes they see but I can't believe  
Oh, my heart is heavy as I turn my back and leave

Like the eagle and the dove  
Fly so high on wings above  
When all you see can only bring you sadness

Like a river we will flow  
On towards the sea we go  
When all you do can only bring you sadness  
Out on the sea of madness

It's madness  
The sun don't shine  
On the sea of madness  
There ain't no wind to fill your sails  
Madness  
When all you see can only bring you sadness  
On towards the sea we go

Out in the night somebody's crying

Out in the night the fires burn  
Maybe tonight somebody's crying  
Reached the point of no return

Oh, my eyes they see but I can't believe  
Oh, my heart is heavy as I turn my back and leave

Like the eagle and the dove  
Fly so high on wings above  
When all you see can only bring you sadness  
Like a river we will flow  
On towards the sea we go  
When all you do can only bring you sadness  
On the sea of madness

Of madness  
Of madness  
Of madness
