Space Station No. 5

[Montrose cover]

Start, with the sun  
And move on out  
The future's in the skies above  
The heavens unfold  
And a new star is born  
Space and time makin' love

Oh what a time we had  
Living on the ground  
I've moved to station #5  
See you next time around,  
Next time around

As far you want, as close as you need  
It's all in the mind, you know  
This old world hasn't really seen it's day  
It's here, time to go

Oh what a time we had  
Living on the ground  
I've moved to station #5  
See you next time around,

â€¡

Remember when it was so clear  
We were young, but the memory still remains  
To pick fruit from a tree  
Fish from the seas  
Now nothing's left here, but the stains  
Well I can't cry no more  
Can only be glad  
There's other places we can be  
If the time suits you right  
I'm leaving tonight  
Come fly away  
With me!  
Yeah, Yeah, Yeah, Yeah, Yeah

Oh, yeah  
Start, with the sun  
And move on out  
The future's in the skies above  
The heavens unfold  
A new star is born  
Space and time makin' love
