Let me tell you about my life  
Let me tell you about my dreams  
Let me tell you about the things that happen  
Always real to me

Let me tell you of my hope  
Of my need to reach the sky  
Let me take you on an awkward journey  
Let me tell you why  
Let me tell you why

Why should these curses be laid upon me  
I won't be forgiven 'til I can break free  
What did I do to deserve all this guilt  
Pay for my sins, with the sale of my soul  
Demons are trapped all inside of my head  
My hopes are gone, reach for heaven from hell

My sins are many, my guilt is too heavy  
The question of knowing of how then what I know  
I'm able to see things  
Things that I don't want to see  
The lies of a thousand souls,  
Weigh heavy down on me

I know they're crying for help reaching out  
The burden of them will take me down as well  
The sin of a thousand souls not died in vain  
Reincarnates to let me live again

Someone to save me  
Something to save me from myself  
To bring salvation  
To exorcise this hell

Someone to save me  
Something to save me from myself  
To bring Salvation  
To exorcise this hell

Someone to save me  
Something to save me from my hell

A destination  
Away from this nightmare

Someone to save me  
Something to save me from myself  
To bring salvation  
To exorcise this hell
