Were on a mission from Rod..

Life in the city living in L.A.  
Is a long way from Huddersfield town  
The back of the Rainbows a long way from heaven  
But thats where he get his pork pie  
Limos and ladies theyre driving him crazy  
Rugby and crickets unknown  
Baseball and football theyre making him lazy  
Your fan club says "Rodney comeome"

The Sheriff of Huddersfield  
Locked in his castle  
Looked down on the Hollywood Hills  
The Sheriff of Huddersfield  
Locked in his castle  
Youre our own Hot Rod on wheels

A good game of arrows a few dozen barrels  
The Nautilus rusts in the yard  
For Yorkshire hes yearning but because hes earning  
Hell always live in L.A.  
A custom made wallet that stays in his pocket  
And never comes out to pay bills  
Hes winning at poker and playing the Joker  
And always cheats when he deals

Hello, let me introduce myself  
My names Rodney  
Im immensely strong  
When I were a lad  
I could lift up  
Five navies on the end of a shovel  
The reason I never took up martial arts  
Is because I was fearsome  
And probably  
Kill everybody  
That I came into contact with  
I was phenomenally strong

Pride and ego  
My lads,  
Pride and ego  
Is what makes the world rotate,  
And everybody knows that  
The centre of the Universe is Huddersfield  
Thats why I dont live there anymore  
I live in Los Angeles  
Its great!... I think

Rufus the red has a crane by his bed  
To wrench himself up in the morn  
But if you dare to tread at the foot of his bed  
Youll wish youd never been born  
A bear with a sore head we dont mean your forehead  
He slumbers for most of the day  
Wide eyed and legless baked beans for breakfast  
Your problem Rodney is L.A.

The sin shines all night!

/\* This one from Wasted Years single
