From the coast of gold, across the seven seas  
I'm travelin' on, far and wide  
But now it seems, I'm just a stranger to myself  
And all the things I sometimes do, it isn't me but  
someone else

I close my eyes and think of home  
Another city goes by in the night, ain't it funny how it is  
You never miss if til' it's gone away  
And my heart is lying there and will be til' my dying day

So understand don't waste your time  
Always searching for those wasted years  
Face up, make your stand  
And realize you're living in the golden years

Too much time on my hands, I got you on my mind  
Can't ease this pain, so easily, when you can't find the  
words to say

It's hard to make it through another day  
And it makes me wanna cry and throw my hands up to  
the sky

So understand don't waste your time  
Always searching for those wasted years  
Face up, make your stand  
And realize you're living in the golden years

So understand don't waste your time  
Always searching for those wasted years  
Face up, make your stand  
And realize you're living in the golden years

So understand don't waste your time  
Always searching for those wasted years  
Face up, make this stand  
And realize you're living in the golden years
