He is the undead you fear and you crave  
In your dreams, the forbidden hand  
Caressing your neck  
Only a woman breaks his spell  
He's the sin she has never confessed  
He is the fire that warms and devours  
Revealing himself in the night

Nosferatu, Nosferatu  
Bloody Prince of the Dark  
Nosferatu, Nosferatu  
Symphony of horror  
Nosferatu, Nosferatu  
Who will stop you  
Phantom of the night!

He sailed cross the ocean to find his true love  
The damned crew is dead  
Vermin infested the hold  
No God, nor holy light  
To save her soul from the tomb  
She gave herself to the master of doom  
He sucked her life with a Kiss of death

Nosferatu, Nosferatu  
Bloody Prince of the Dark  
Nosferatu, Nosferatu  
Symphony of horror  
Nosferatu, Nosferatu  
Who will stop you  
Phantom of the night!

Salve, Regina, Salve  
Protect me, Virgin Mary  
Salve, Regina, Salve  
Protect me, Virgin Mary

Nosferatu, Phantom of the night  
Nosferatu, who will stop you now?

Nosferatu, Nosferatu

Bloody Prince of the Dark  
Nosferatu, Nosferatu  
Phantom of the night  
Nosferatu, Nosferatu  
Symphony of horror  
Nosferatu, Nosferatu  
Who will stop you?  
Phantom of the night!
