I sad I killed a sick dick on booze and dos
Evil adder rocket - bag lever
Did a downer set, milk ass prosthetic

Black aspirin
Evil 10 submission
Black aspirin
Eyes fuckin' burst ya!

Fucking aspirin takin' over
It's the law, fuckin' diamond whore the law

Black aspirin
Fuck fuckin' stink
Black aspirin
Cruel as a dagger

Pain transmitter, fuckin' adder
Amped to aspirin I gotta tell ya!

Tonight grave garbage cup
Shits turns sour, fuckin' aspirin

Recovery from the fuckin' stink
Of the fuckin' weight of the 400

Black 'kin' aspirin
Fuckin' aspirin

Heavy!
