Ancient is the hunger  
Ancient is the vow  
Driven by the power  
To live it here and now  
Follow the unwritten law  
Taking no command  
Bow your head to no one  
With a mind that won't bend

Rule or be ruled  
We'll leave that up to you  
To turn around or stand your ground  
Faithful and true furious  
Ride with us  
Go against the grain

Hey - to Metal we are sworn  
Hey - one finger to the scorn  
Hey - it's power unites us all  
It's in the blood  
Can you hear the call

Freedom needs no justification  
Follow your heart to your destination

Take a look to the left  
Take a look to the right  
It ain't just always straight  
Ahead it ain't just black and white  
To bang against the wall  
Might be a waste of time  
An open mind will find a way  
And that's my bottom line

Raise the force  
Come with us  
Go against the grain

Hey - to Metal we are sworn  
Hey - one finger to the scorn  
Hey - it's power unites us all

It's in the blood  
Can you hear the call

Hey - to Metal we are sworn  
Hey - one finger to the scorn  
Hey - it's power unites us all  
It's in the blood  
Can you hear the call
