It's been 5 hours since you,
It's been 5 hours since you,
It's been 5, it's been 5, it's, it's, it's,
It's been 5 hours since you left, you left (x4)

Ironik:

It's been 5 hours
I've been waiting for time
I thought you was coming back
And I really thought you was mine
But I guess you've just been lyin'
I ain't the type to start cryin'
I'm feeling so down
I think I'm gonna break down
Is this a dream, 'cause you've left me
I never saw it ending like this believe me
'Cause I never did wrong and you was happy with my
family
So I guess I'll have to sit and wait
I guess I'll have to see

It's been 5 hours since you left, you left (x4)

Ironik:

It's been 5 hours at least let me say goodbye
'Cause I don't know why you've left me
I'm all alone now
Hoping your on your way back home now
And your takin' time
But I don't know why I can't keep my feelings inside
I thought it was us forever
I thought it was ride or die forever
You've let me know the deal for time and lead me on I
swear
I feeling down but I'll be your man and not let out a tear
I will be waiting here and now our haters laugh and
cheer
Before I didn't feel it but now I do truly really care

It's been 5 hours since you left, you left (x4)

(Ironik speaking)

Crazy, I can't believe she ain't come back yet
I'm grand, I think I'm gonna pack my bags man
I'm leaving, you ain't gonna see me no more
I ain't waiting around, I got better things to do
