I'm a warrior  
And you the virgin  
You are my sacrifice  
To the Metal Gods  
I'm hot I'm on fire  
Persuaded by sex and wine  
Woman come here to me  
On this night

Wolves they howl  
Full moon shines  
High priest invoke the storm  
Through ancient rites  
From a Metal bar  
I crave for the blade  
I'll lead my warriors  
And defend the faith

I bring the power  
For those who wait  
Our kingdom will come  
Immortal we stand

Behold in the distance  
My flaming sword  
For it was forged  
In the eyes of the storm

Feel the magic of burning Metal  
Feel the magic of burning Metal

I hail to the gods  
With sword raised up high  
I praise all the powers of Metal  
Tonight!

I'm a warrior  
And you the virgin  
You were my sacrifice  
To the Metal Gods  
On the altar

Lies semen and blood  
Gather the legions  
To greet the thunder

Welcome the age  
Of mastery  
We are champions  
Forever free  
On the arena  
And on the battlefields  
All infidels die  
We are supreme

Feel the magic of burning Metal
