[Verse 1:]

Look, Look,  
My First Love Was Hot Like Jamaica,  
Doidnt Care Wot Ma Boys Sed,  
I Wanted To Take Her,  
And Wen She Was Nothing,  
I Wanted To Make Her My W.I.F.E.Y,  
Yes Me,  
We Went Together Like Peaches And Cream,  
And Teachers And Teens,  
And Shoes And Jeans,  
And I Sed Tht,  
Cos We Was So Sophisticated,  
On The First Date,  
I Was Late,  
But You Still Waited,  
I Wasnt Late On Purpose,  
I Swear 2 You,  
You Know Ive Made Mistakes In The Past,  
But Im There For You,  
I Didnt No Time Went So Fast,  
Its Mad B,  
We Broke Up,  
But I Wanna Be Your Man B,

[Chorus:]

I Wanna Be Your Man,  
I Wanna Be Your Man,  
I Wanna Be Your Man,  
I Wanna Be Your Man.

[Verse 2:]

Look, Cos I Want You 2 Much,  
Your Too Much To Touch,  
Baby Ur Too Buff,

And We Both Know I Held You Down Like A Clutch,  
So Please Dont Rush,  
Into A Next Relationship,  
Remember The Days We Spent Together,  
From 11am Til 6,  
And U See You Yeah,

I Aint Ready For The Quits,  
So Please Dont Quit It,  
It Will Be Fixed,
