Heyâ€!  
Kill it away  
Wash it away  
But the stain stays  
(This is what you wanted)

I can't keep this in  
It keeps tearing me up  
You don't know what it's like  
To be me

So this is what you get!

My final statement  
This is how I want to say goodbye  
My final statement  
This is how I want to be remembered

Heyâ€!  
Wasting away  
Wish it away  
But the pain stays  
(This is what you wanted)

You couldn't understand  
How I see things  
You don't know what it's like  
To be me

So this is what you get!

My final statement  
This is how I want to say goodbye  
My final statement  
This is how I want to be remembered

Heyâ€!  
(I'm killing myself because of you)

This is what you get!

My final statement  
This is how I want to say goodbye  
My final statement  
This is how I want to be remembered

I'm out of time, I realize  
I cannot kill what hurts inside  
I disconnect, I cannot fake  
There's one last point I have to make

Ahâ€¦  
My final statement  
This is my  
This is my  
This is my suicide  
My final statement  
This is my  
This is my  
This is my suicide  
My final statement  
This is my  
This is my  
This is my suicide note!
