Do you believe in heaven above, Do you believe in love
Don't tell me a lie, Don't be false or untrue
It all comes back to you

Open fire on my burning heart, I've never been lucky in
love
My defences are down, A kiss or a frown
I can't survive on my own

If a girl walks in, And carves her name in my heart
I'll turn and run away, Empty dreams can only
disappoint
In a room behind your smile

It get's in your eyes, It's making you cry
Don't know what to do, Don't know what to do
Looking for love, Calling heaven above

Send me an angel
Right now

Empty dreams can only disappoint, In a room behind
your smile
But don't give up, don't give up, You can be lucky in
love

It get's in your eyes, It's making you cry
Don't know what to do, Don't know what to do
Looking for love, Calling heaven above

Send me an angel
Right now
