"Take Me Away"

You gave to me escape, You gave to me meaning,
(runaway)
You gave to me myself, And a reason to move on,
Now I'm going home, Where I can be myself,
I'm going home, where you can give me a dose
I'm going home, where your light is on for me all the
time

You TAKE me Away yeah
You take me away to better place
You TAKE me Away yeah
You take me away to better place

You gave to me escape, You gave to me meaning,
(runaway)
You gave to me myself, And a reason to move on,
Now I'm going home, Where I can be myself,
I'm going home, where you can give me a dose
I'm going home, where your light is on for me all the
time

You TAKE me Away yeah
You take me away to better place
You TAKE me Away yeah
You take me away to better place

You take me away to better place
Take Away Run Away Take it away
