I fake again, I'm Half asleep everyday,
I shut my mind off, Pretend to hear the words you say,
I think the medicine is better than reality,
Atleast is seems that way,
By the way, This is what you made,
By the way, This is where you fade,
By the way, Your a comatose,
By the way, Its time for the overdose.

Blown Away again Today,
Blown Away by the things you say, (I hate you)
Tried to tell me that you would make it ok.
Tried to tell me, but your blown away.

Lock it away in the back of my mind today,
Lock it away I cope with another day,
Cut this life off and escape from Reality,
I just get this way.

By the way, This is what you made,
By the way, This is where you fade,
By the way, Your a comatose,
By the way, Its time for the overdose.
