Hey! f*** it, f*** it!
Kill it away
Wash it away
But the stain stays
(This is what you wanted)

I can't keep this in
It keeps tearing me up
You don't know what it's like
To be me

So this is what you get!

My final statement
This is how I want to say goodbye
My final statement
This is how I want to be remembered

Hey! f*** it, f*** it!
Wasting away
Wish it away
But the pain stays
(This is what you wanted)

You couldn't understand
How I see things
You don't know what it's like
To be me

So this is what you get!

My final statement
This is how I want to say goodbye
My final statement
This is how I want to be remembered

Hey! f*** it, f*** it!
(I'm killing myself because of you)

This is what you get!

My final statement

This is how I want to say goodbye
My final statement
This is how I want to be remembered

I'm out of time, I realize
I cannot kill what hurts inside
I disconnect, I cannot fake
There's one last point I have to make

Ah~f~çâ,~Ã,Â!
My final statement
This is my
This is my
This is my suicide
My final statement
This is my
This is my
This is my suicide
My final statement
This is my
This is my
This is my suicide note!
