Here's the game of grand mistakes
while floating with a fan above a nothing.
The crowd is ready sides are steady
you are clutching my hand, it is hurting.
It's always bo tuesday
bo tuesday bo tuesday
bo tuesday bo tuesday
or nothing
And such a sight to see both you and me
we stand by the door and watch her leaving.

I could change it if you'd like it to be.
It's so easy 1-2-3-4-L-O-V-E I love you.

It's getting very dark outside
please don't leave me alone tonight bo tuesday.
I think your folks will come around

and take me in as part of your family.
It's always bo tuesday
bo tuesday bo tuesday
bo tuesday bo tuesday
or nothing
Please understand I have no plan
I just have to be around you, be around you, yeah.

I could change it if you'd like it to be.
It's so easy 1-2-3-4
L-O-V-E I love you.

Don't you know you make me so sad
You're the best thing that I've every had.
bo tuesday why can't you love me?
When it's so easy 1-2-3-4, L-O-V-E I love you
