There may be trouble ahead
But while there's music and moonlight (moonlight and
music) and love and romance
Let's face the music and dance

Before the fiddlers have fled
Before they ask us to pay the bill, and while we still
have THE chance
Let's face the music and dance

Soon, we'll be without the moon
Humming a different tune - and then...

There may be teardrops to shed
So (But) while there's music and moonlight (moonlight
and music) and love and romance
(Let's face the music and dance, dance)
(Let's face the music - let's HEAR that music)
Let's face the music and dance
