Part 1: (speak unless \* is there  
Wont play a simple melody  
Just like my mother sang to me  
\*she sang she sang to mee\* (smooth)  
One with good old fanioned harmony  
Why don't you play a simple melody  
\*a simple melody a simple melo-\* (smooth)  
(Now go straight into singing 2)

Part 2:  
Won't you Play A Simple Melody  
Like my mother sang to me?  
One with good old fashioned harmony  
Play A Simple Melody

Part 3:  
Musical demon, set your honey a'dreamin'  
Won't you play me some rag?  
Just change that classical nag  
To some sweet beautiful drag

If you will play from a copy of a tune that is choppy  
You'll get all my applause  
And that is simply because  
I want to listen to rag

Part 4:  
My heart is palpitatin'  
From all this syncopation  
When I hear a ba-\_nd  
And when I'm with my honey  
My feet start actin' funny  
When I hear a band  
It's really not surprisin'  
My temp'rate keeps risin'  
When I hear a ba-\_nd  
So pardon all my swoonin'  
My crazy way of croonin'  
When I hear a ba-\_nd
