There's no business like show business like no  
business I know  
Everything about it is appealing, everything that traffic  
will allow  
Nowhere could you get that happy feeling when you  
are stealing that extra bow

There's no people like show people, they smile when  
they are low  
Even with a turkey that you know will fold, you may be  
stranded out in the cold  
Still you wouldn't change it for a sack of gold, let's go  
on with the show

The butcher, the baker, the grocer, the clerk  
Are secretly unhappy men because  
The butcher, the baker, the grocer, the clerk  
Get paid for what they do but no applause.  
They'd gladly bid their dreary jobs goodbye for  
anything theatrical and why?

There's no business like show business and I tell you  
it's so  
Traveling through the country is so thrilling, standing  
out in front on opening nights  
Smiling as you watch the theater filling, and there's  
your billing out there in lights

There's no people like show people, they smile when  
they are low  
Angels come from everywhere with lots of jack, and  
when you lose it, there's no attack  
Where could you get money that you don't give back?  
let's go on with the show

(there's no business like show business like no  
business I know)  
You get word before the show has started that your  
favorite uncle died at dawn  
Top of that, your pa and ma have parted, you're  
broken-hearted, but you go on

(there's no people like show people, they smile when  
they are low)  
Yesterday they told you you would not go far, that night  
you open and there you are  
Next day on your dressing room they've hung a star,  
let's go on with the show!!
