I love you which is easy to see
But I have to keep guessing how you feel about me
You listen to the words that I speak
But I feel that you listen with your tongue in your cheek

You're laughing at me
I can't get sentimental
For you're laughing at me I know

I want to be romantic but I haven't a chance
You've got a sense of humor, and humor is death to
romance

You're laughing at me
Why do you think it's funny
When I say that I love you so?

You've got me worried and I'm all at sea
For while I'm crying for you
You're laughing at me
