You know Iâ€™m gonna make a try  
I never wanna let it die  
But this ainâ€™t right  
Don't justify

You - you're everything I need  
But sometimes we just disagree  
And this is my way to proceed

Silence cannot breathe on your side  
But emptiness is my wound  
â€™cause Iâ€™m in pain why canâ€™t you see Iâ€™m down  
Being the one just around

Iâ€™ll stay away â€™till it's over  
â€™cause you need to realize  
Itâ€™s time for me to go  
Please stay away â€™till it's over  
And I will clear my thoughts again  
Crazy or blind  
Iâ€™ll stay away â€™till it's gone

You - you're everything I want  
The reason why I wrote this song  
Iâ€™ll be back when words are gone

If silence can't survive on your side  
Then loneliness is my pride  
When Iâ€™m in pain why can't you see Iâ€™m down  
Being the one just around

Iâ€™ll stayâ€¦â€¦â€¦

You have to understand  
It's only for a while  
You have to understand  
This is just my style
